SUMMITVIEW
Community Church

"Bringing people towards Christ, one life at a time, one world in a lifetime"

What are Community Groups?

Community Groups offer a great way to take the next step in your faith journey. Whether you are just starting out or a seasoned traveler, you will discover that Community Groups are a great place to connect with God and with others at Summitview. Meeting together in community outside of Sunday morning has always been a part of our church DNA – it's a part of who we are at Summitview.

Jesus himself said that the greatest commandment is to love God first and then to love everyone else and He also gives us the Great Commission to make disciples. Community Groups are a tool to that end where both the Great Commandment and the Great Commission can be lived out in our lives as we pursue Christ together in biblical community.

Community Groups are where we pray with and for one another, encourage and care for one another, engage with God's truth, as well as where the reality of Christ meets our daily lives. It is our sincere hope that you will give God a chance to impact your life through Summitview Community Groups.

**When you connect with a
Summitview Community Group
you can expect your group to...**

- provide a place where you can receive prayer support
- provide a place where you can develop genuine, transparent relationships
- provide a place to process your life issues
- provide a place to serve others *in* the group and *beyond* the group
- provide a place to receive various resources and guidance for your life decisions
- provide a place to study the Bible and how to apply it in your life
- provide accountability as you walk with God

The Core

(Twenty Something / College)

We are a group of college age and 20-somethings who want Jesus to be the core of our life. And so we spend time together learning how to love God and love others. We meet in a variety of different functions, including weekly evening gatherings, outreaches and other fun activities. We are attempting to live out the Great Commission in our daily lives, and use our weekly meetings as a place to study and practice what that means for us. You are invited to join us!

Mid-Life Discipleship Training

If you are in the second 'half' of your life and want to focus on the principles and priorities of being a Christian, come join us. We are new and 'old' disciples of Jesus Christ--singles and couples from all walks of life--who want to help each other grow in faith, hope, love, and outreach.

We laugh, cry, enjoy meals together, encourage and pray for one another, and serve others. This year we'll be discussing the book of John and learning to share our testimonies. Teach us to number our days aright, that we may gain a heart of wisdom. (Psalm 90:12)

Expect to be Amazed

God is amazing. The more you get to know him and join in living life with him, the more amazed you become. So why is it that we're surprised when God's promises come true, or we receive God's blessing, or God totally changes our heart? Our theme for the next few months is "Expect to be Amazed". Our plan is to foster relationship with God, explore his word, encourage others, prayer, and focusing on the gospel - both learning it and learning how to share it with others. We expect to be amazed at what God does.

If You Want to Walk on Water, You've Got to Get Out of the Boat

(Young Married Families)

Walking on water means facing our fears, choosing not to let fear have the last word, discovering and embracing the unique calling of God on our lives, and experiencing the power of God to accomplish what we would not be capable of doing on our own. This study will help you answer Christ's call to greater faith, power-filled deeds, and a new way of knowing him. You will discover how to discern God's call, transcend fear, risk faith, manage failure, and trust God. Relating the story in Matthew 14 to life today, this study invites you to consider the incredible potential that awaits you outside your comfort zones.

Love and Respect

Ephesians 5:33 However, each one of you also must love his wife as he loves himself, and the wife must respect her husband.

The well known book Love and Respect is based on this verse. Get the opportunity to change the way you view your mate, understand how they think and act, and why it's different than the way you think and act - not at all bad, just different. God made men and women different (duh!) This video series is delivered by Emerson Eggerichs, the author of Love and Respect. He is passionate, funny and speaks truth about men and women and the relationship of marriage God created. Your marriage will never be the same. Are you ready to begin the journey towards the marriage God intended you to have?

Come, join us!
